

Walk for Malcolm

Henfield to Sussex Prairie Gardens

We are walking to Sussex Prairie Gardens on 14 July 2024 from Henfield Common. This whole village event is to celebrate Malcolm's contribution to Henfield as Parish Councillor, District Councillor, citizen and friend to many. Malcolm's family selected *brainstrust* for our fundraising. Malcolm's experiences showed this service of support is vital for those affected by brain tumours and their families.

brainstrust operates a 24/7 helpline and personalised coaching services 365 days a year for brain tumour sufferers, their family and caregivers, which can make such a difference to those going through the unfamiliar territory of navigating a serious illness.

Malcolm gave so much energy to Henfield and we hope that by joining in this fundraising event and contributing to the charity, you can help bring support to others affected by brain tumours.
